Through the Deputy Commissioner, Hassan District.

Sir,

With reference to your letter No.L.3627/L.B. 72-33-2, dated 21/22nd November 1933 intimating that the Government have declined to sanction the recommendatic of the District Board to bear ½ the vaccination charge from Government, I have the honor to state that this question formed the subject matter of further discussion by the District Board at their meeting held on the 16th and 17th April 1934. They laid stress on the point that the condition precedent for the District Board s bearing the entire vaccination charges as per G.O.1792-802/L.B. 120-17-11, dated 31st July 1918 was that the Board's income had been augumented by the assignment of Mohatarfa and Local Fund General. But with the abolition of the Taluk Boards and transfer of Rural Mohatarfa to Village Panchayets and the introduction of the New District Board Regulation in 1927 the District Board has been deprived of the source of income from Mohatarfa. Under these altered conditions, the Board feel that it is reasonable both on the grounds of principle and equity that they
